**APPLICATION FORM  
YUKON NOMINEE PROGRAM  
CRITICAL IMPACT WORKER**

**BACKGROUND**

The Yukon Nominee Program (YNP) was established to address labour needs in Yukon. The program itself is an economically driven program designed to meet labour needs of Yukon employers. The program is administered under the legal authority of the federal *Immigration and Refugee Protection Act*. The Government of Yukon, in conjunction with the Government of Canada, assists employers to select candidates to meet the economic needs of Yukon and who have a strong likelihood of becoming established in Yukon by becoming permanent residents.

The ultimate decision about whether a foreign national is granted a permanent resident visa remains with the federal government.

In order to decide who to nominate, the Government of Yukon created the Yukon Nominee Program (YNP). The YNP is administered by the Advanced Education Branch, Yukon Department of Education. The Advanced Education Branch develops and enforces all of the requirements and procedures for nominating foreign nationals under the YNP.

In order to determine whether a foreign national should be nominated under the YNP, the Advanced Education Branch assesses information about the foreign national, including how the foreign national can contribute to the economic development of Yukon. To this end, foreign nationals are required to have an employment contract stating they have full-time, permanent employment from a Yukon employer. The Yukon employer must meet Advanced Education Branch's criteria, including not being able to fill this position with Canadians or permanent residents in Canada.

## INSTRUCTIONS
